

Pricing Sheet Guide

Categories: Appliances have been given a category code depending on size and type, see specifications for codes.

Color: Use the following code to dictate color-

BL	Black
W	White
BQ	Bisque
SS	Stainless Steel

Dimensions: Includes the height with hinges and the depth with handle.

Product Specifications and Category Codes

Freezers:

Provide stand-alone freezers that meet Energy Star minimum requirements, and as such are listed on the Energy Star website as qualified appliances.

Manual Defrost preferred but not required.

Refrigerators:

Provide refrigerators that bear the ENERGY STAR[®] label and meet the ENERGY STAR[®] specifications for energy efficiency.

For all full-size refrigerators, models must be a minimum of 20% more efficient than the minimum federal standards to qualify.

Units to Include:

- Automatic defrost.
- Must have full shelf in freezer.
- Controls that are understandable and easy to use, no electronic displays.
- Separate freezer control.
- Levelers on front legs.

- Recessed door handles are unacceptable.
- Shelf adjustability.

Features below are not required specifications but agencies will be given the option to purchase units that include:

- Molded flexible vinyl door shelves are preferable to lightweight, bendable aluminum ones .
- Ability to add ice maker at customers expense.
- Solid freezer bottom, as opposed to one with multiple pieces.
