TO: All Keystone Building Products, Inc. Customers

RE: Atwood Mobile Products LLC

Please find attached Atwood Mobile Products LLC announcement in regards to their discontinuing of production of Manufactured Housing windows and doors. From this date forward Keystone Building Products, Inc. will be unable to order any additional product from Atwood. Keystone does have significant inventory of product. Keystone will give an additional 5% discount on this remaining inventory to help lessen the impact of Atwood's discontinuing of production.

Keystone Building Products is working diligently to find an alternative product to supply the needs of our customers. At this point in time we do not have an alternative available.

Thanks for your understanding in this matter
