

Dual Spray Swivel Aerator with Pause Valve

Our Niagara Conservation branded Dual Spray Swivel Aerator with Pause Valve allows for directing the water flow where it's needed most providing greater efficiencies. It offers two stream options: a full force multiple stream and a splash-free bubble stream that can be changed by a push/pull action on the body. This aerator contains a 360° swivel which helps to reduce water use by directing the water flow where it's needed. This aerator also features a pause action valve that reduces flow to a trickle while keeping temperature consistent.

Features

- Dual threaded
- Fits most male and female threaded faucets, Male: 15/16-27, Female: 55/64-27
- Housing constructed of durable ABS plastic with high-polish chrome finish, does not contain any unplated brass parts
- Pressure compensating technology guarantees a consistent flow rate across a wide range of pressure
- Rubberized grip for easy adjustment
- 10 year warranty**

Certification and Performance Requirements

- ASME A112.18.1 / CSA B125.1; ANSI/NSF 61

Dimensions

*Dimensions are subject to change

Model #	Spray	Finish	Flow Rate	Watersense	Case Qty
N3115VP-FC	Aerated Bubble/Needle	Black/White	1.5 GPM	Yes	200

Potential Annual Savings¹

	Flow Rate	Water	Electric Heating	Gas Heating
Dollar Savings	1.5 GPM	\$51	\$39	\$21
Utility Savings	1.5 GPM	6,132 Gallons	347 kWh	19 Therms

¹Factors in calculating savings potential:

- 3-person households each person using a faucet 8 minutes per day, 365 days per year (AWWARF Residential Study)
- Comparing water use with these aerator vs. a standard 2.2 GPM unit
- US city average water and sewer cost of \$8.3 per 1,000 gallons (study done by NUS Consulting Group 2011)

- Average cost of electricity 0.113¢ per kWh (Energy Star Nov. 2013 Lightbulb Calculator — http://www.energystar.gov/?c=cfls_pr_cfls_savings)
- Average cost of gas \$1.137 per therm (Bureau of Labor Statistics April 2014)
- Calculations done by <http://www.fishnick.com/savewater/tools/watercalculator>

**WARRANTY DETAILS

AM Conservation Group, Inc. guarantees to the original purchaser or recipient of an aerator that it is free from defects in material and workmanship for a period of 10 years. AM Conservation Group, Inc. will at our choice replace any part of the aerator which is in our opinion defective provided that the product has not been abused, misused, altered, or damaged after its purchase. This includes damage due to the use of tools or harsh chemicals. In the event a product has been discontinued, AM Conservation Group, Inc. will replace it with what we determine to be the closest product. AM Conservation Group, Inc. is not responsible for labor charges, installation, or other consequential cost. AM Conservation Group, Inc.'s responsibility shall not exceed the original cost of the product.
