

DOOR SWEEP

Product Highlights

Our professional grade aluminum and vinyl Door Sweep includes a draft-stopping vinyl sealing fin for deep sealing power. The product is ideal for sealing both large and small gaps on new or old, residential and commercial doors. It can be used for interior or exterior applications. The door sweep features an extruded aluminum carrier with five slotted screw holes for easy adjustment and efficient installation. With the vinyl seal back, no caulking is needed. Screws are included.
