Description

AC Hardwired Voice Alert Carbon Monoxide Alarm and Smoke Detector with Battery Back-Up

- Smoke and carbon monoxide alarm; hardwired with battery back-up replacement
- Battery backup provides consistent protection for added safety during power outages
- Photoelectric smoke sensing technology for fewer nuisance alarms
- Exclusive voice warning with programmable location tells you the location of the sounding alarm and the danger detected to plan your best escape route
- Studies have shown that children respond quicker to a voice alerting them to danger rather than a beeping horn
- Includes adaptor plugs for replacing other hardwired alarms
- Single button test/silence helps to ensure your alarm is working properly
- 7-year limited warranty
