Get the power

Choose this feature packed hard hat for excellent protection and comfort - and keep your safety budget under control.

- Lightweight, yet rugged polyethylene shell offers excellent head protection
- Low profile hard hat design features comfortable 4-point Flex-Gear® suspension
- Hats include rain trough and accessory slots for use with cap mount muffs, faceshields, communication devices, and more
- Soft, absorbent, replaceable cotton brow pad with cushion pillows ensures maximum comfort
- Flex-Gear® ratchet suspension bends at flex points to conform to the head for added comfort
- Large ratchet knob adjusts easily - with or without gloves
- 2 front and 2 rear height adjustments ensure a superior custom fit
- Features cushion pillows where ratchet housing rests for added comfort
- Replacement Flex-Gear® ratchet suspension item# 23195, and replacement cotton padded brow pad item# 23196, both sold separately
- Complies with ANSI Z89.1 standards Type I, Class E and G standards

20 per case
