WINDOWS & DOORS

Single Sliding Windows

The Wise ChoiceTM

Open to new possibilities.

A traditional style window that glides open with ease.

The single sliding window opens by moving the operable sash toward the center of the window. Earthwise windows can be manufactured so that either the left or right sash is operable.

Earthwise Single Sliding Windows utilize proprietary, high performance insulated glass technologies, including our advanced "Warm Edge" spacer system, to create a superior thermal barrier.

DESIGN

- **Exterior Millwork Frame Design**
Provides rich detail and style; a distinctive millwork-finished look
- **Fusion Welded Sash and Mainframe**
Provides superior strength, leak resistance and structural integrity
- **Patented Integral J-Channel Design**
J-channel receptor provides a clean look and simplifies installation in new construction applications
- **Multiple Color Options**
Multiple color and grid options are available to match your current décor or to create a whole new look
- **Optional Jamb Extension Products**
Applied jamb extensions in both 4 9/16" and 6 9/16" configurations
- **Replacement or New Construction**
Available in both configurations for quick and easy installation
- **Maintenance-Free Vinyl Construction**
Long-lasting beauty and thermal performance, multi-chamber, heavy wall construction
- **Extra-Wide, Sturdy Integral Nailing Fin**
Inhibits water and air infiltration in new construction applications

OPERATION

- **Lift-Out Sash**
Operable sash lifts out for easy cleaning
- **Heavy Duty Sash Rollers**
Allows for smooth and easy operation
- **Full-Length Extruded Handle Rail**
Strong integral handle enables easy sash operation

EFFICIENCY

- **Earthwise Insulated Glass System**
Reduces energy consumption and provides year-round comfort
- **SunShield® Technology**
Premium vinyl compound formulated to withstand the harsh effects of weather and ultraviolet light
- **Optional Earthwise Low-E Glass**
Keeps heat outside in the summer and inside in the winter
- **Fin-Seal Weather Stripping**
Additional membrane in center of weather stripping provides increased resistance to air infiltration

SECURITY

- **Designer Cam Lock**
Positive locking action for security and thermal efficiency
- **Interlocking Meeting Rail Design**
Full-length interlock for increased security and superior structural and thermal performance

WARRANTY

A window is only as good as its warranty, and Earthwise is a leader when it comes to standing behind our products. Earthwise windows come with a transferable Limited Lifetime Warranty, and additional levels of protection that cannot be matched.

Earthwise products are also backed by the Good Housekeeping Seal, which provides homeowners with the assurance of a two-year, money-back guarantee, and are Made in USA Certified.
